

Home Game Chaperone Assignments

Please report to the Community Room at **5:30p.m.** for a brief meeting. You will sign the dividend book, pick up your name tag, and receive assignments for the evening.

Objectives:

Keep the kids safe and out of trouble. Students should not be using their cell phones, or any other electronic device. **Keep your eyes on the students at all times!**

Assignments:

Bag Security:

During the half time show, 2-3 chaperones will need to sit in the stands to guard the band bags.

Bandside Concession:

During 3rd quarter, we will have tables set up next to our stands for the band and dance students to purchase food and drinks. We will need 6 chaperones to help sell the food and drinks to the students.

Half Time Security:

While the band is marching on and off the field for the half time show, 4-5 chaperones will need to walk with them and guard them from the opposing stands.

Nail Polish Patrol:

We will need 3-4 chaperones to stand in the band room and chorus room while the students are getting their marching uniforms on. We will give you a bag of cotton balls, nail polish remover, band-aids and hair ties. Students are not permitted to wear nail polish or have any visible piercings. All piercings should be covered with a band-aid. Also, all hair must be pulled back off the face and neck.

Name Tag Collector:

All name tags should be collected during 4th quarter. You will have a Ziploc bag to place the tags into.

Pit Crew:

There will be about 6 chaperones assisting the pit crew. You will be helping to bring the instruments to the field. Report to the Pit Leader for instructions.

Podium:

There will be 3 chaperones assisting with the podium. You will set up the podium and help the drum major go up and down the podium safely.

Rope Line Coverage:

There is a rope that divides the fans from the band and dance students. We will need 2 chaperones to stand at the rope and make sure fans do not come into our stands.

Uniform bag:

This bag will contain materials necessary throughout the game. If students forget something or tear something, we may need a back up. You would be responsible for carrying this bag and for making sure it gets returned at the end of the evening. If students borrow items (i.e. gloves) you need to make sure all items are returned at the end of the evening.

Water & Seat Cushions:

As students are marching into the stands, approximately 5 chaperones will help pass out water bottles. You should be out on the field before the band begins to march out. Report to the Water Leader for instructions.

3rd Quarter Break:

Chaperones need to be positioned by the restrooms making sure all students go in and out very quickly. Chaperones may need to go in and get them out if they are taking too much time. We will have a male and female chaperone outside the restroom doors. You are welcome to watch the half time show; however you will need to get into your bathroom position immediately after the show. Report to the 3rd Quarter Break Leader for your exact position.

Summary of a Typical Game Night:

Miss Berry will march the band to the field. With the exception of the Water helpers, all chaperones will follow the band and make sure all is well. The students will tell you if they have a problem. The water helpers should already be on the field.

Prior to Game Time:

Uniform Check – all chaperones should scan the students to make sure they meet the [Uniform Guidelines](#).

1st Quarter:

We may ask some of you to escort band members to the bathrooms. ALWAYS WALK BETWEEN THE CHEERLEADERS AND THE FIELD. NEVER WALK BETWEEN THE CHEERLEADERS AND THE FANS.

2nd Quarter:

Miss Berry and Mrs. Horton will begin to move the dancers and band members to the track. The drum line will begin to practice. Please make sure that the students have their hair tucked into the backs of their band jackets and that no one is wearing nail polish or earrings.

♫ All chaperones should report to their assigned leader for instructions.

Half Time:

You will be able to watch the performance, but be ready for your assignment as soon as the performance ends.

Third Quarter:

All students are on break for 3rd quarter. They are not allowed to socialize with anyone outside of band. They can only use our concession stand to purchase food or drinks. If they need to use the restroom, they need to return back immediately.

Fourth Quarter

Some students may need to use the restroom during 4th quarter, if so, they must be escorted by a chaperone. ALWAYS WALK BETWEEN THE CHEERLEADERS AND THE FIELD. NEVER WALK BETWEEN THE CHEERLEADERS AND THE FANS.

End of Game:

Chaperones should stay and help clear the stands of water bottles and seat cushions.
