Lake Brantley Band/Athletic Pass

Payment and form must be received in the band room by August 19th!

(for Band Booster members only)

Through the Athletic Department, band booster members are able to purchase passes to Brantley's home games at a savings. There are 5 home games this season. You can purchase a pass for all 5 games at **$30.00 for each adult** and **$15.00 for each younger child in your immediate family** who is not a student at Lake Brantley. High School (non band) students are not eligible for this pass, but may purchase a student athletic pass through the front office. Seating IS NOT in the red section of the stadium. Additional family members must be booster members themselves to be eligible for this pass (such as grandparents, aunts, uncles, etc.). Child passes will only be issued with the purchase of an adult pass.

You must be a band booster member to purchase this pass. A booster membership form is included in this packet. Payment for passes and booster membership can be made with one check. Make checks payable to LBBB. All forms are due by August 19th. Your pass may be picked up in the band room office only, by you or your student, beginning Tuesday, August 30th. **All passes must be picked up by Thursday, September 1st by 5:00 pm to be used for the first home game. Please note, the band office is closed on Fridays prior to kick-off, so please pick up early!**
