

FOOD ALLERGIES

Student Name: _____

Grade: _____

Instrument: _____

Food Allergies:

This information will be used for band camp and other activities that involve feeding the students. We will only make arrangements for the special needs upon receipt of this form due to the cost involved. Please be specific. We do not want your child to go hungry because their name does not appear on our Food Allergy List. If your child is a “picky” eater, please do not list this as a food allergy. Students may always bring their own food. Thank you.
